Lorenzo Migliorero

Senior frontend engineer in Amsterdam. Currently working at WeTransfer.

Focused on delivering accessible, maintainable, and performant interfaces, I like to think of the web as a democratic space where everyone has equal opportunities. Proficient in React and TS.

WORKING EXPERIENCE

WeTransfer • Senior Frontend Engineer Aug 2022 • Present • Amsterdam (Netherlands)

Responsible for the maintenance and evolution of the editorial platform Wepresent.com, along with other SPAs. Proposing and leading the recent refactor in Next.js, Typescript and GraphQL. Contributing to the company frontend infrastructure.

WILD • Technical Director May 2021 • Aug 2022 • Turin (Italy)

I manage a remote multicultural team of developers, designing and engineering performant and scalable web applications. I'm responsible for establishing coding standards, maintaining customer relations and growing the team.

AQuest • Head of Frontend Jul 2017 • Set 2020 • Verona (Italy)

Technical leadership of the Frontend Developer Team, focused on high performance and code maintainability. Frontend development of SPAs.

Triplesense Reply • Senior Frontend Engineer Mar 2016 • Jun 2017 • Turin (Italy)

Frontend development of web applications, retail websites and maintenance activities of FCA Group portals.

I LIKE TO PLAY WITH
